

WORKS HARDER. LASTS LONGER. YIELDS STRONGER.

Want to get more bushels from your corn? Look no further than Trivapro® fungicide. Engineered to work overtime to protect your bottom line, Trivapro combines workhorse SOLATENOL® technology, with azoxystrobin and propiconazole, for maximized yield preservation. Whether disease pressure is high or low, Trivapro works harder to defend your crop and protect your bushels from disease and stress.

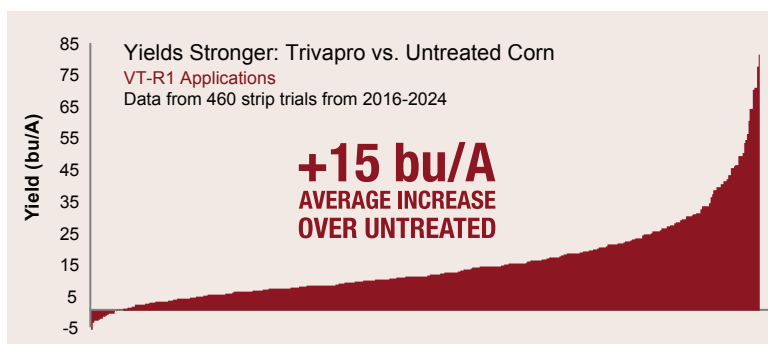

Why Trivapro?

- 1 Longer-lasting** residual for powerhouse protection from application to harvest
- 2 Harder-working** preventive and curative disease control and plant-health benefits
- 3 Stronger yields** with maximum crop quality and potential ROI

You know hard work when you see it. In this MO trial, Trivapro delivered a +50 bu/A yield advantage by helping the corn stay cleaner and greener*.

A Consistent, Proven Yield Advantage

In almost 500 on-farm trials, Trivapro delivered an average 15 bu/A advantage.

On-farm grower strip trials (n=460)
2016-2024; AR, IA, IN, KS, MN,
MO, NE, OH, SD and WI. Trivapro
13.7 oz/A applied at VT-R1 corn.

Trivapro Targets the Top Threats in Corn:

- Tar Spot
- Gray leaf spot
- Northern corn leaf blight
- Common rust
- Southern rust
- Anthracnose leaf blight
- and more...

When the other guys clock out early, Trivapro keeps working — giving you cleaner and greener fields that can exceed your yield expectations.

Canalou, MO 2020

And That's Why Pros Trust Trivapro

Trivapro isn't just powerful on paper, it delivers in the field. Here's what real users said after putting it to the test.

"No disease in the corn field with a 10% bump in yield. Great product. Absolute game-changer. Will use Trivapro year after year."

Kris P.
Taft, TN
Grower

"It kept the crop greener, longer, which added more weight. It helped the stalk health, which helped the plant to stand up longer, and made the harvest a lot easier."

Tom G.
Owensboro, KY
Grower

"Trivapro keeps the plant healthy for a longer seed development, increased yields and less stress on the plant."

Brian F.
Mt. Vernon, IL
Grower
